

## **Agricultural Grants Follow-up Report 2024**

The County Foundation wants to hear about how the Agricultural Grants assisted you and how they make an impact in the community. This will show us how they helped you and your farming operations.

• Provide a brief update (minimum 50 words) to The County Foundation explaining how the Agricultural Grant made a difference for you:

Any feedback or comments? Anything you would like us to know?

 How did the grant help you? What was the outcome? (Did it provide you some relief from financial strain, did you begin or complete a project, were you able to make steps toward a succession plan...)

Reports can be submitted to The County Foundation at info@thecountyfoundation.ca or by mail at 35 Bridge St. Unit 107, PO Box 24, Picton, ON, KOK 2TO.

Follow-up reports are due within 1 year of receiving funds.
