Bursary Details

The bursary to each selected student will be up to \$40,000 payable over 2 years (up to \$20,000 per year). The bursary will first be directed towards the cost of tuition and books to the post-secondary institution. The remaining amount of the annual award (up to a maximum of \$10,000 annually) will support cost of living (rent/mortgage, transportation, child care etc.).

Proof of enrolment and good standing in the student's program will need to be submitted on a quarterly basis to The County Foundation to receive these monthly instalments. The second year's bursary payment requires the student to remain in good standing with their chosen program and institution. Change in programs requires approval and will be considered on a case-by-case basis.
