The County Trades Scholarship

Each year The County Trades Scholarship will be awarded, in the amount of \$10,000 for a period of 2 years (total scholarship amount of \$20,000), to a graduating student from PEI pursuing post-secondary studies at a Canadian post-secondary institution for the Trades. Preference will be given to programs that are eligible for red seal status and to those with the greatest financial need.

Funds will first be allocated towards the cost of tuition, books and program fees. Any residual funds will be disbursed monthly to the student to support purchasing related tools for their trade and/or cost of living expenses, pending proof of continued enrollment and good standing in their respective programs. A change in programs or institutions will require approval and be considered on a case-by-case basis.
